FOR IMMEDIATE RELEASE

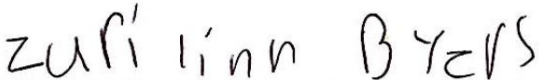

(Washington, DC) – Today, Nya and Zuri Byers, the owners of hunnybunny boutique, were joined by representatives from the DC government’s Department of General Services to shake hands and announce hunnybunny’s selection as a new producer of hand soap for a select number of its government buildings. For hunnybunny boutique, A DC-based manufacturer and retailer specializing in all-natural bath and beauty products, this partnership marks the company’s first contract with its home government.

“This is a great opportunity and I’m hopeful for a very long-term relationship,” said Nya Byers, Owner. Her younger sister and co-owner, Zuri Byers, echoed her enthusiasm. “I think this is awesome. This is a great step forward for our business.”

The DC Department of General Services manages over three million square feet of space for 43 agencies. With this contract, it has selected an award-winning, local CBE with over eight years of experience producing premium soap and skincare. For more information, visit www.hunnybunny.boutique.
